## REASON FOR ALLOWANCE

Page 2

1. Applicant's amendment of January 24, 2005 is acknowledged. It is noted that the specification, claims 1-4 and 6-11 are amended. Claim 5 is canceled.

- 2. Claims 1-4 and 6-11 are allowed.
- 3. The following is an examiner's statement of reasons for allowance: None of the prior art teaches or suggests a plug connector for use with jacks of different standards, an adapter sleeve slideably positionable at a rear end of the housing for mating with a first jack standard and positionable at the front end for mating the front end of the housing and adapter sleeve with a second jack standard.
- 4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Lloyd et al (US6116960) is cited to show the adapter having a sleeve to fit into the slip ring.
- Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phuongchi Nguyen whose telephone number is (571) 272-2012. The examiner can normally be reached from 8:00AM-4:00PM.
